Attn: Daron Haddock

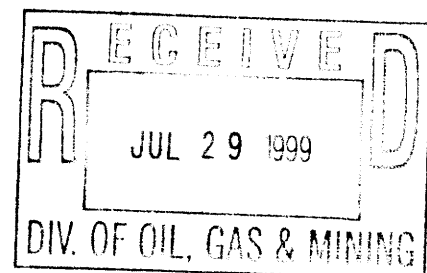

Dear Mr. Haddock

ANDALEX has been working on revisions to our mining and reclamation Plan in order to satisfy the requirements for highwall reclamation as we discussed here on sight with OSM some time ago. We are aware that this submittal is important and we respectfully request an extension of time until September 1, 1999 to accurately complete these revisions.

Thank you for your consideration.

Sincerely

Michael W. Glasson  
Senior Geologist
